To all past directors, teachers

Dear friends:

Thank you for your past excellent contribution, service to the community, and continued support of CCCCA's cultural programs. On behalf of our teachers, students, parents and board members, we wish you and your family a wonderful New Year.

You and your family are cordially invited to our *Chinese New Year* Celebration on Sunday, February 10, 2019, in Solon High School. The celebration starts from 2:00pm at the Auditorium, with art performance of children and artists, children's carnival games will be in Gym. Please be our VIP guests, as we reserved the middle row 3 to row 5 for you and your family members.

CCCCA is a publicly supported, volunteer based non-profit organization with IRS 501 C 3 status. The mission of CCCCA is promoting multi-cultural exchange programs to serve the people in the Greater Cleveland area. It oversees a weekend Chinese Culture School with over 430 American and Chinese children/adults of different ethnic groups, who come to learn Chinese language and culture, including painting, dancing, martial arts and other Chinese traditions. CCCCA also sponsors many Chinese art troupes to perform in the Greater Cleveland area, for better understanding of local people toward the modern Chinese arts and culture. With your support, CCCCA and Chinese School programs achieved great success in the past 24 years. Thousands of children and local residents have benefitted from our programs and services since 1995. We are looking forward to seeing you at the celebration.

Sincerely yours,

Dr. Nianfa Tang, Chairman, Board of Directors
